

New Shimano distributor in Slovenia and Croatia

Due to a reorganisation of Shimano's sales channel, CS-EUROTRADE d.o.o. will become the new Shimano distributor for Slovenia and Croatia as from the 5th of October 2004. This change means the final chapter in a long term co-operation with our current distributor in these countries, GAMA d.o.o.

We would like to thank Gama for all their efforts to establish a positive brand image for Shimano in Slovenia and Croatia. For the future, we wish them a lot of success in their continuous involvement in the bicycle industry.

Shimano is looking forward to the partnership with Eurotrade, which is already our official distributor in the South East Europe region (including Romania and Moldavia).
